Palos Hills Baseball Association

Peter Donahue - President

Dear Friend:

Every year Palos Hills Baseball Association (PHBA) provides youth baseball and softball on a 100% volunteer basis. We need your continued support for our youth to enjoy another summer of Baseball and Softball. The Palos Hills Baseball Association, located in Palos Hills has been an intricate part of the community for over 46 years. Each summer 200 children participate in our Baseball or Softball programs. We strive to teach children sportsmanship, respect, responsibility, teamwork and integrity. PHBA is the only sanctioned Little League organization in the Palos area. We continue to make accomplishments with the help of our dedicated volunteer Coaches and Managers. A few of the achievement that we take pride in over the past few years are:

- 2008 Burbank 12 and Under Boys All Star Tournament Champions
- 2009 10 and Under Boys Interleague Champions
- 2010 12 and Under Boys Interleague Champions
- 2011 8 and Under Girls Southwest Suburban Softball Champions:

We are a not for profit association, and do not receive outside funding from any park district, city, county or state agencies. We are fully funded by registration fees, fundraising activities, and generous donations from businesses like you. This pas year we have made improvements to our fields, concession stand and parking lots.

In order to keep our children playing America's favorite past time, we are asking for your help. Attached is a sponsorship sheet that outlines all of our programs. There are 7 different levels of sponsorship still available. This year we have added the Player Sponsorship. We know the economy has hit our area hard, and many families would love to have their children play baseball, but just can't afford it. The players fund is set up to help these children, whether it's a hardship case and it pays their fees to the league, or helps them purchase their baseball and/or softball equipment. We hope to fund children playing baseball and/or softball not only this year, but for many years to come.

This Little League program impacts the lives and development of many children in our communities, and this year especially we want to make sure our children have the opportunity to play.

Please look over the attached sponsorships and remember that your donation is tax deductible. and you can support as many sponsorships as you like. Please respond A.S.A.P., as opening day is Saturday, April 21, 2012, and we would love to have all our sponsorships recognized by this date. We invite our sponsors to join us for opening day. If you have any questions, please contact Kathy Smertene, Sponsorship Chairperson at 708-599-3686.

Thank you for your continued support,

Peter Donahue
PHBA President

Palos Hills' Mayor Jerry Bennett has been an intricate part of PHBA, and urges you to please donate.
