

Dear Friend:

The Little League Baseball Association located in Palos Hills has been an intricate part of the community for over 45 years. Each summer about 200 children participate in our Baseball or Softball programs. We strive to teach children about sportsmanship, respect, responsibility and integrity. PHBA is the only sanctioned little league organization in the Palos area. We are a not for profit association, and do not receive outside funding from any park districts, cities, counties or state agencies. We are fully funded by registration fees, fundraising activities, and generous donations from businesses like you.

With today's economy we are seeing more of our families struggling. The economic problem is trickling down and we have many children who can't afford registration fees, or equipment. In order to keep our children playing America's favorite past time, we are asking for your help. Attached is a sponsorship sheet that outlines all of our programs. There are 7 different levels of sponsorship, but during these times any donation, monetary or not, can help our children.

This Little League program impacts the lives and development of many children in our communities, and this year especially we want to make sure our children have the opportunity again to play. Your donation will help compensate children's registration fees, buy new equipment, and assist with day to day upkeep of our fields.

Please look over the attached sponsorships, and know that your donation is tax deductible. We at PHBA understand that you are probably approached by many organizations, but it only takes one act of kindness to initiate the "Pay it forward" attitude, please start with us. If you have any questions, contact Cheryl Shumake, fundraising Chairperson, at 708-446-5486.

Thank you for your support,

Todd Selke
